

The U.S. Military is Your Military

- Military is an extension of the people:

- Your sons and daughters;
brothers and sisters

- Your money for training and equipping

- Protect your safety and security

Guard and Reserve -- America's Total Force

- America's military is everywhere
In over 4,000 communities nationwide

- Guard members and Reservists
 - Need continued support of business community

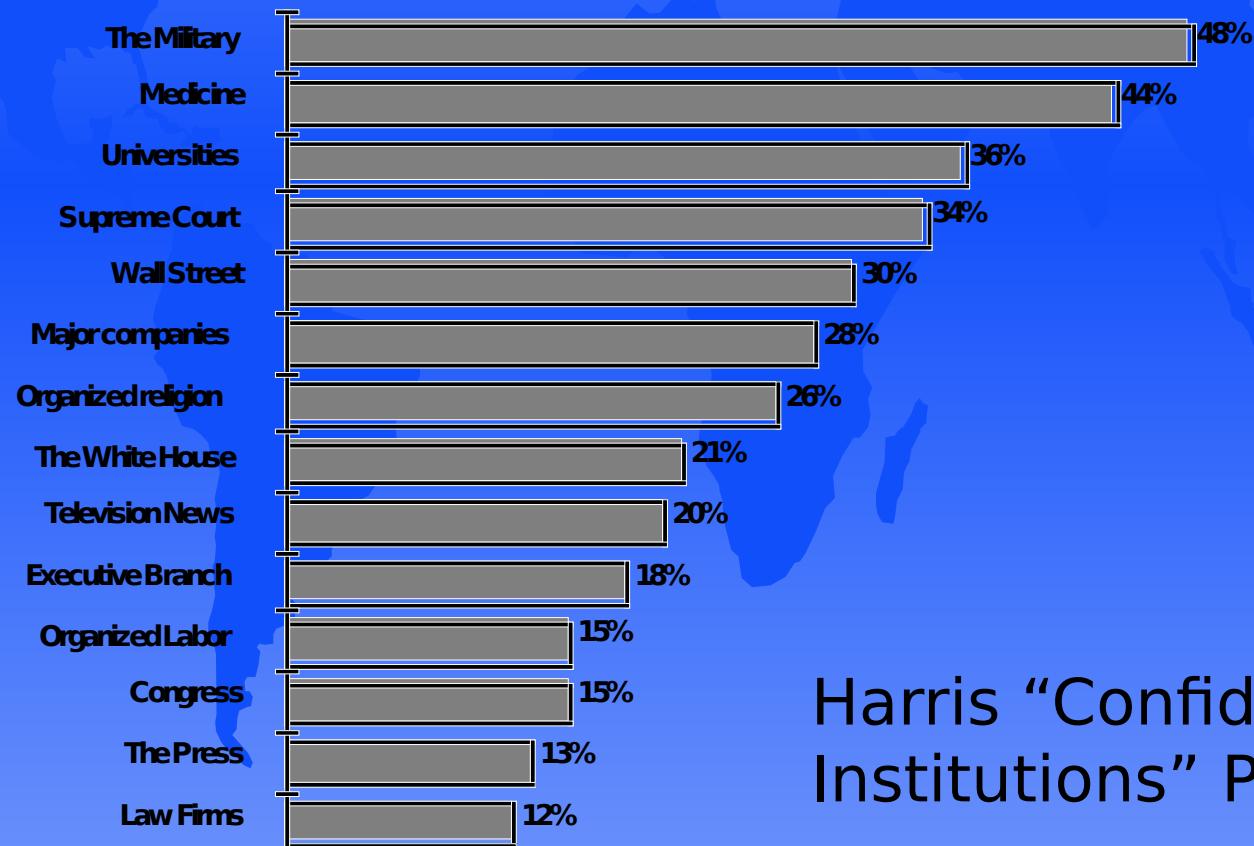

-Vital part of our Total Force

Confidence in Military

Percentages answering "a great deal of confidence" in response to the question,
"As far as people in charge of running ... are concerned," how much confidence
do you have in them?

Harris "Confidence in
Institutions" Poll for 2000
